Kelly I believe 100 % that is your concern. I respect you so much and right now i know it does not appear that way. My mental health is stable right now. What my mental health needs is for this to stop. I cant have people come into the unicipal court parking with no concern of cameras or getting Binto trouble, harassing/ intimidating me when its one of the only places i feel safe around there i washed my car and felt safe drying it and waxing it there they felt safe threatening me there because some "trained police officer" writes a Vulgar complaint and by his own description makes it outside felony sexual assault charge not even in the jurisdiction of the municipal court filed by lisa nye stating she is a Deputy clerk of course then just today so full of shit when i asked to see when she was sworn in se emails mw a copy of some shit from 2013 thinking I'm dumb and think i dont know what a oath and bond needs to be renewed each term and if she wants me to be more technical ....unlawful execution of public duties without proper R.C 3.22 and RC 3.24....acting as a public official w/o lawful designation RC 2921.01B.....interference with civil rights under color of law R.C. 2921.45....falsification of a government proceeding RC 2921.13(A) (7).....CRIMINAL RULE 3 Invalid complaint due to improper or unauthorized affiant.... and thatsbjust state 42 USC 1983,18 USC 242. US CONSTITUTION ADMENDNT 4 , 14 AND OHIO CONSTITUTIOIN ARTICAL 1 1,2 AND 3 AND THATS her. (That complaint is jurisdictionally void Criminal Rulle 3 ORC 2935.09 it wasn't a valid charging instrument any state action void) STATE v. MBODJI 129 OHIO ST.3d (2011) AND THAT IS MY DUE PROCESS RIGHTS TAKEN 42 USC 1983
Kelly what my mental health needs is for me to go back to just making furniture and for people to stop and see what is really going on . I did nothing wrong i even agreed eat it but the making me look like a fucking pedophile with a BS document and no investigation into facts and a court allowing it almost even entertaining it is disgusting. I assure you i am safe and fine but i understand you have a job to do and respect that but you know im not a liar you know id never go out of my way to do something harmful or wrong. Please just look Kelly . I will meet with you virtually to ease your mind and the fact none of this has anything to do with you. Kelly please look into it if that complaint is invalid like I know it is. Either because its Vulgar or Nye filed as a clerk of the court some hoe serving duel roles in 2 separate branches of government it remains damaging to me it continuing and continues to deprive my rights .

Jeremy,
Sorry to hear about that experience. I am very concerned about your mental health. Is there something I can do to assist you with getting some help? I am glad to hear that you are safe. Would you be willing to meet with me virtually?

Im sorry Kelly, someone was going to hurt me if I stayed. i was harassed in the parking lot at court house , they didnt even care about cameras. i sent a report to the DOJ civil rights devison and its . They all lied ant they know it from the vulgar complaint 30 days later to the TPO issued 41 days later when I saw my stepson everyday when i was picking up my son during the 41 days Kylee town and the procecutor didnt through all evidence out the window. No its not right ive also contacted news outlets . This is going to court again .they destroyed my life because a kid watched a south park cartoon doj said it would look like retaliation by the courts if all the suden a warrant was issued only after coming forward with all this . im doing the right thing people with that kind of power cant do wat ever they want, I lived so long in fear because all the wrongs. Its all right there in front of everyone. . Im safe for now and intend on remaining safe . So I plan on going on Tick tock where i have made content a long time and have 30000+ followers and im putting every document every video everything i have , because i cant trust that court but I know i can trust the public sees . Again I apoligize you were the only person who treated me like a human . i said this in the report to the DOJ and everyone i have talked to about this.
